NTCG BRIXTON NEWSLETTER

---

In this time of the pandemic crisis we run the risk of focusing on the problems which surround us and less on spiritual things. We miss the mark big time if we fail to look inward and upward.

I find the words of the apostle Paul to the Colossian brethren most helpful at this critical time.

“let heaven fill your thought. Do you not think only about things down here on earth, for you died when Christ died and your real life is hidden with Christ in God? And when Christ who is your real life is revealed to the whole world you will share in all his glory” - **Col 3:2- 4**

As we move forward into the uncertain future let me encourage you to get your eyes off the gloom which threatens to engulf us and focus on the glory which awaits all those whose hearts are set on things above.

## Prayer Time

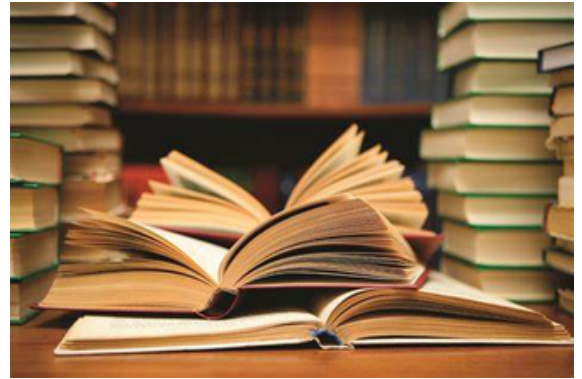

Dear Lord....

In this time of global crisis, we lift our faith to you, and we pray for your mercy on our nation and all nations. We pray for your provision for our countries, businesses, churches, and schools. Lord, we thank you since this pandemic you have provided for our families and kept us healthy, we are forever grateful to you! Lord, we pray for hope, strength, guidance, protection and divine healing for those who are affected by the virus in various parts of the world, and we pray for peace and comfort to families who have lost a loved one from Covid19.

Dear Lord, we pray that you will watch over our nurses, all the doctors and medical personnel, who work tirelessly, trying to save the lives of their patients. May You give them strength and health to do their heroic jobs. Every day they leave their homes to care for the sick. Every day they live in fear of bringing the virus home to their families. We pray that you will put a hedge of protection around them, keep them safe in their going out and coming in. May your will be done...In Jesus name amen!
